I think we were talking about meeting here with NDEP, ARC, and us as necessary on December 7 or 8 – NDEP is checking with ARC on scheduling.

I'm deeply grateful to both of you for securing the deferral agreement with NDEP. I know there are challenges and more work ahead. When is the meeting with BP/ARC likely to occur, and where?

Brad C had asked me to hold next Thursday afternoon and all day Friday should we need to confer, but that may not be timely given the need for the 3- party meeting, and Enrique 's travel to the DD meeting quite soon.

Regardless, have a good Thanksgiving holiday!
